- Wow, I expected this to be a dry and boring presentation. It was so interesting! Gave me new information in a memorable way. Plus, introduced me to a FL Poison Control resource. Thank you
- Our presenter was very well informed and gave us a “ton” of useful information. I am passing along the phone number of the center to my daughter, especially for our 9 & 11 year old grandchildren. Now have it on my frig as well. Only drawback was since we were virtual, magnetic signs weren’t available! Thank you so much!!!
- Presenter is an excellent speaker and we are grateful she was able to provide our club with a virtual presentation. I would recommend this program to all groups. Very helpful. Thank you!!
