The instructor presented current and accurate content	Yes – 100%	No -0
Content was organized effectively	Yes – 100%	No -0
The information was relevant to my job duties	Yes – 100%	No -0

Comments: As always, JoAnn is able to bring poison issues to the forefront. She is a dynamic presenter. Excellent presentation. Great job. Always excellent info shared. It's nice to meet people from the poison center as I phone there often, being an ER nurse. I got ideas about how young children can mistake poison items for doos/candy/drinks.

N= 11 social service workers at Healthy Start Coalition
