## Education program satisfaction

### Healthcare Professional program N= 40 school nurses

	N/A	Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree
Workshop was presented with enthusiasm					1	39
Presenter was prepared & knowledgeable					1	39
The presenter was clear & organized					1	39
Presenter effective in communicating topic					2	38
The presenter was open to questions					2	38
Objectives of this inservice were discussed	1				1	38
Session handouts are of practical use	1			1	1	36
The info is useful to me	1				2	37
I would recommend workshop to others	1				2	37
Workshop has met my expectations	1				2	37

Comments: Very interesting & funny lady. Very interesting topic & presentation was great. Learning about poison and the many flyers were helpful. Presenter was excellent. Needed to be longer than 1 hour. Awesome presentation kept my attention. Would love to hear more. Done with humor...I loved it. Visual aids were great. JoAnn is an awesome presenter and I would be glad to sit through any presentation she gives. Bring JoAnn back again, she was great. Need more time for speaker. Clarified several things. Best speaker to date. Outstanding presentation from beginning to end.

### Healthcare Professional Program N = 6 ER RN's

	Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree
Content was beneficial				2	4
Program met objectives				2	4
Content rating		N/A 2	Poor	Good	Very Good 4
Rate presenter		2			4

Comments: JoAnn was very funny & entertaining. Great teacher.

**Healthcare Professional Program N= 37 RN's, PEMT's & students**

1= poor      2= Fair      3= Good      4= Very Good      5= Excellent

How well informed was presenter about subject?	Average of all answers 4.6
How well organized was the presentation?	4.7
How clear and understandable was instructor?	4.7
Rate accuracy of subject matter.	4.7
Rate effective use of time in covering subject	4.7
Rate effectiveness of handouts, movies, etc	4.5

Comments: Made learning fun with related stories. More on drugs. Great job..I just finished the 40 hours Course Design Class and she is an A++++. Program was great.

**Public Program: Post-program Attitude Survey of new mothers n=4**

Question:	Yes	No	Plan to
As a result of the poison prevention program, will you...			
...display the poison center magnet or sticker on your fridge?	4		
...install child safety latches to make cabinets child resistant?	4		
...move poisonous plants or products to safer locations?	4		
...share poison prevention info with others?	4		
...display the Babysitter Info Magnetic Board on your fridge?	3		1

**Assessment of promo item:** What is your opinion of the Babysitter Magnetic Board?

- Good idea. Has all necessary info in one place
- Very good and quick reference for important numbers
- Great place for important information
- It's good for someone unfamiliar with these issues and this way they won't have to search everywhere to find info.

**Public program: Evaluation and Behavior survey of new mothers n= 97**

	Excellent	Good	Fair	Poor
Program content was easy to understand	89	8		
I plan to share this info with others	82	13	1	
Speaker was professional and effective	89	8		
Info was adequate and useful	85	11		

**Needs Assessment**

What do you want to hear more about?

Bug bites, critters

Plants with berries tempting to children

Storing chemicals in everyday bottles

Household products like hand sanitizers
