Comments: Very good job! Thank you, great job, very educational. Very informative and answered questions. Thoroughly enjoyed this guest lecture. Very enjoyable and easy to learn from. Very beneficial. Wish we had more time to get thru more of the information.

Healthcare professional presentation

N = 7 ER RNs

Rate each speaker:

Content Very good = 100% good poor no answer

Presentation methods Very good = 30% good poor no answer = 70%

Comments: The poison control lady was very entertaining and informative. Excellent! The best part of the program was toxicology. The guest speaker for toxicology was great! Thanks for sharing.

Healthcare professional presentation

N= 24 RNs, health educators

Rate each speaker Excellent = 84% good = 16% fair poor

I will implement something I learned today and that will be:

- Educating families re: child safety
- Community awareness of falls, poisons and co-sleeping
- Pills/grandparents/poisoning
- Education of families in home health setting
