How would you rate the poison center program? Excellent – 91% Good 9%

Do you have any ideas to make the presentation better?

- No! She is funny & informative. Truly enjoyed her presentation. Kudos to Poison Help.
- No, JoAnn did a GREAT job, she is very knowledgeable and energetic and made the information fun and easy to understand.
- More interaction
- Powerful presentation
- Speaker is great. She is effective and funny. I like funny, it helps me remember things. But was also considerate of the graver topics.
- Speaker was engaging and held audience attention for entire presentation. Great info to share with our clients. Thank you!

Needs Assessment: What subjects would you like to hear more about?

- Current drug poison especially synthetics
- Poisoning dealing with toddlers and children under 5
- New street drugs
- More about cleaning stuff, home pesticides
- What the poison center is doing to prevent poisonings
