Comments: Jody has a natural way of getting people to laugh and participate. The speaker was terrific. The stories about her brother were hilarious. We will be talking about this for a long time. Every person in daycare should have this training. Best program of the day. Finally - some information we can use. Great information and presentation style. I learned so much. Highly recommended.

Comments: Excellent program. Kept interest of children. I'm glad to see a program teaching about Florida hazards. Students liked the interaction. Awesome job. Children learned to identify poison items that appear in their homes. Loved the flannel board story.

Outcomes:

Increased knowledge shown by 83% correct answers on a post-test.

Usage of materials was shown when 68% of people surveyed after attending a health fair put the magnet on their refrigerator and could recite the poison center phone number.
