

Education Evaluation January – March 2019

N= 8 Seniors

Questions - 1/30/2019	Yes	No
Was the information helpful and easy to understand?	8	
Should the poison center continue to offer this type of program?	8	
Was the speaker professional and effective?	8	
Overall, did the program meet your expectations?	8	
How would you rate the Poison Center program?	Excellent	Good
	7	1

What subjects would you like to learn more about?
Allergies from household products
This covered a lot
Do you have any ideas to make the presentation better?
A visit to the building I live at in St. Pete. Many people take their meds wrong and do mix their meds wrong. Thank you!
Presentation very good (thorough)

Questions – 3/14/2019	Yes	No	
Was the information helpful and easy to understand?	15		
Should the poison center continue to offer this type of program?	15		
Was the speaker professional and effective?	15		
Overall, did the program meet your expectations?	15		
How would you rate the Poison Center program?	Excellent	Good	Average
	15		
What subjects would you like to learn more about?			
Child proofing a home			
Items in the household that are not commonly thought of as “poison”. Visine & Vicks were great eye-opening examples.			
You mentioned top causes but what about how the people (particularly children) accidentally ingest? What was the situation - meds on counter?)			
Do you have any ideas to make the presentation better?			
Great job!			
Enjoyed the interactive examples!			
She did a great job as always			
I'm sure it's normally presented slower/less rushed, but that is the recommendation. We flew through the info today and it could have used more time.			

N = 7 Health Fair Event Trivia Survey

Questions - 1/25/2019	Answer A	Answer B	Answer C
Choose the correct Poison Center Helpline number.	800-222-1222 (3/7) 43%	800-222-Help (3/7) 43%	I am not sure (1/7) 14%

N=Paramedic Day 3/22/2019

Program Evaluation	Yes	No
Was the program helpful and easy to understand?	100%	
The information received will help provide better patient care.	100%	
I would contact the Poison Center in the future.	100%	
Overall, did the program meet your expectations?	100%	
Suggestions/Comments <ul style="list-style-type: none"> The presentations were all informative and easy to understand. We can incorporate it into our PT care in the field. Info was very well presented. Would like to tour more of the hospital 		

Overdose - Toxidrome Badge Card	Yes	No
Is the card legible?	100%	
Is the content useful?	100%	
Did you already know the content?	17%	83%
	4/23	19/23
This badge card will help me provide better patient care.	100%	

Comments/Suggestions

- It's Dope
 - Burn Unit Speaker was awesome
 - The cards are of beneficial size to carry on our badges for reference which is very important in my opinion. The info was presented very well.
 - Very helpful
 - Lots of useful information on the card. Fell it will better help my assessment and treatment for patients.
 - Very informative
-
