

Caller Satisfaction Survey
Florida Poison Information June 2015

Caller Satisfaction Survey

N=25

Number of responses	Number of calls made	Was enough time spent on your call?	Was the person you spoke with courteous and considerate?	Was the information clearly explained?	Would you call the poison center again if needed?
25	37	92% Yes	100% Yes	100% Yes	100% yes
