N=1

Comments:

- It was a wonderful presentation. The other attendees I've spoken with since share how much they learned from attending

Disclaimer: During this quarter, our Coordinator of Media and Education resigned. Presentations were provided (as demonstrated on our presentation report), however optimal collection of surveys did not occur. Some have not been returned and there was a technical issue with the evaluations of the November AHLS course. Evaluations are back on track and we have filled the open position.
