Comments:

- Very important information, along with being interesting.
- This class updated my education on Carbon Monoxide. Thanks Dr. Douge
- Great presentation. I was able to achieve audio as well.
- Excellent presentation from a speaker that drove this issue home!
- This is a presentation that puts people into action really quickly after having been made aware of and after having received knowledge and experiences shared by the speaker. Thank you!
- Great info. Will be good for my congregation. I plan to write reminders in newsletter and hang a poster on bulletin board.
- This was an excellent presentation. This helps put into perspective how harmful and deadly Carbon Monoxide can be.
- A subject I did not realize I was lacking key information. Thank you so much Dr. Douge
- Everyone who can get this class, should take it. I am glad I did not miss this class because the educational benefit cannot be overstated. Thank you BayCare and thank you Dr. Douge.
- This was the best presentation I have attended all year.
- Excellent presentation – learned things I did not know! Thanks for this!!
- This was an excellent seminar and provided a great deal of new information to me.
- Wonderful knowledge was shared with us. Thank you poison control.

- The subject matter was great as was the presenter's knowledge.
- Great class! Invaluable information! Thank you so much Dr. Douge!
- Excellent coverage in a topic not often covered.
- One of the best informational programs. Thank you Dr. Douge.
- Carbon Monoxide was by far one of the best presentations I have attended over the last several years! It was new information and very well presented with excellent case studies included and discussed.
- Excellent. Would love to give information to church.
- Interesting and important to hear about ways Floridians need to be aware of CO poisoning. Good review.
- I knew next to nothing on this subject, but now I feel I know a lot. She is very knowledgeable. Thank you.
- That was one of the best programs. Thank you. I ordered a CO detector; it will be here from Amazon tomorrow.
